

PRODUCT INFORMATION

# The Ultimate Protection

## In Cap Style & Full Brim Hats

- > 6-Point suspension for added stability and support
- > Low nape strap provides a secure fit, allowing the hard hat to remain securely on head – even when you are looking down or bending over
- > 5-raised channels for a modern look and added strength
- > Cap style hard hats have an extended back area for 10% more protection coverage (extra protection when compared to a standard hard hat design)
- > Vented option also available for better air circulation and enhanced comfort in summer

# Product Description

SWX00374

SWX00366

## HARD HATS WITH WHEEL RATCHET

- Easy to use wheel ratchet adjustment system creates a firm, comfortable fit with added security
- Closed ratchet design won't snag longer hair

## HARD HATS WITH SLIP RATCHET

- EasyJust™ slip ratchet is simple to adjust and an improved alternative to the traditional pin-lock system
- Adjusts to a wide range of sizes for a great comfort fit

# Applications

- > Heavy Duty Construction
- > Renovation
- > Protection from Falling Debris & Low-Hanging Objects
- > Demolition

# Performance

### Revolution™ Wheel Ratchet

Easy to use and has a deep nape strap for a secure fit.

### Easyjust™ Slip Ratchet

The EasyJust™ fitting adjustment is so simple to use that it can be changed with just one hand.

### Precision Fitting

Unique 3D adjustment harness depth settings provide a custom fit.

### 6-point suspension

6-point suspensions system with textile straps provides unrivalled comfort.
