## **NOTICE OF RESPIRATORY PRODUCT CHANGE**

March 4, 2015

Valued Customer,

In 2015, Safety Works Inc. revised our respiratory masks. In accordance with compliance regulations we were required to change part numbers of our products. While the new products have different part numbers, they offer the same levels of protection. However, the old products are not compatible with the new products. If you had an older half mask respirator, it will not work with our new replacement cartridges and vice versa. For your convenience, below is a chart of the product conversions.

<b>Item Description</b>	<b>Old Part Number</b>	<b>New Part Number</b>
